Dear Tropical Permaculture Expert

An upcoming eco Village: Green Growth Ghana - An eco village in Accra, Ghana is looking for a "tropical permaculture expert" that wants to come to Ghana for a year with free accommodation and good Ghanaian food.

We need you to:

- Build tropical permaculture capacity in Ghana
- Be responsible for the tropical permaculture design of the 1.8 hector land
- Build the foundation for a tropical permaculture eco village
- Supply the upcoming "permaculture restaurant" that wants to modernize the Ghanaian Kitchen.

We will build a frame, so you after a succesful year will be able to economic sustain your living and continue your work in Ghana.

A GREEN AND BETTER GHANA

We have a dream that Ghana will grow through green growth and not do all the same mistakes we have done in the western world.

We want to build an eco village that shows the direction for green growth through small-local-positive-footprints in Ghana.

THE FIRST ECO VILLAGE IN ACCRA, GHANA

We want to build a positive trustworthy community on the 1.8 hector land in the countryside outside and at the same time in capital Accra, Ghana. We are one to one and half hour from the airport and when the railroad is finish the eco village will be a half hour from the center of Accra.
